

## **Guidelines for Creating a Video Profile**

### **Duration: 1.5 to 3 Minutes**

Your video profile should be concise yet comprehensive, highlighting your key strengths, experiences, and skills. Below are the essential components and a rubric for evaluation.

### **Components (Total: 20 marks)**

#### **A. Content (4 Marks)**

##### **1. Self-Introduction**

- Briefly introduce yourself (name, hometown, and age)
- Keep it engaging and professional.

##### **2. Education Background**

- Mention your educational qualifications.
- Highlight any significant achievements or specializations.

##### **3. Hard Skills/Technical Skills and Language Proficiency**

- List your technical skills relevant to your field.
- Mention the language(s) (spoken/written)
- Mention programming languages (if applicable).

##### **4. Soft Skills and How You Gained Them**

- Identify soft skills.
- Provide examples of how you acquired or demonstrated these skills.

##### **5. Working Experience/Projects**

- Outline your work experiences or major projects.
- Focus on roles, responsibilities, and accomplishments.

##### **6. Extra Information**

- Include any achievements, awards, talents, or CSR/NGO participation.
- Highlight information that adds value to your profile.

##### **7. Contact Information**

- Provide your phone number, email, and LinkedIn profile link.

#### **B. Ability to highlight strengths (4 marks)**

- Clearly identify and emphasize your key strengths.
- Demonstrate how these strengths are relevant to your desired role or field.
- Demonstrate your ability beyond the other candidate.

**C. Creativity (4 marks)**

- **Smooth Flow of the Output**
  - Ensure the video transitions smoothly from one component to the next.
  - Maintain a logical and coherent structure.
- **Music Background**
  - Add appropriate background music to enhance the video's appeal.
  - Ensure the music is not distracting and complements the video content.
- **Pictures or Evidence**
  - Include relevant images or clips that support your claims (certificates, project snapshots, etc.).
  - Ensure visual elements are clear and add value to your narrative.

**D. Language Proficiency (4 marks)**

- a. Use clear and articulate language.
- b. Ensure proper grammar and pronunciation.
- c. Display confidence and professionalism in your speech.

**E. Presentation Skills (4 marks)**

- a. Demonstrate effective presentation techniques.
- b. Maintain good eye contact and body language.
- c. Use appropriate tone and pacing.
- d. Engage the audience throughout the video.

**Tips for Success**

- Plan your video content thoroughly before recording.
- Practice speaking clearly and confidently.
- Use a good quality camera and microphone.
- Edit your video to ensure it is engaging and error-free.
- Review the guideline to ensure you meet all criteria.

By following these guidelines, you will be able to create a compelling and professional video profile that effectively showcases your strengths and qualifications. Good luck!
